Groups

Exclusively upon prior reservation, groups of 10+ guests wishing to share the Festival experience will have the opportunity to access the Premium area in Piazza Grande from the Red Carpet or the new reserved group entrance.

NEW: Group entrance

The new group entrance, reserved exclusively for our partners, allows access to Piazza Grande from 21:00 to 21:20. Ideal for those who wish to spend more time with their guests during dinner. The Group Entrance is not a red carpet, but allows guests to have photos taken by one of our photographers in front of new and eye-catching leopards. In the event of rain, groups will enter Palexpo (FEVI) via the reserved group entrance.

By July 19th

The Partner should fill in the order form indicating the group entry and the designated contact person. The Festival processes and accepts the request or contacts the Partner otherwise.

A few days before the screening

In due time, the Festival will confirm to the Partner the allocated time slot and the assigned entry gate.

On the day of the screening

- Between 8.20 pm – 8.50 pm (Red Carpet)
- Group access to Piazza Grande from the Red Carpet, exclusively in the allocated time slot
- Entry gates are located in via Trevani, near the building of the Società Elettrica Sopracenerina
- After 8.55 pm (Group entrance)
- Groups arriving after 8.55 pm should proceed to Gate A and will be accompanied to their seats via the group entrance
- Please note that Red carpet access is not allowed anymore at this time, as it is strictly reserved for film delegations

On August 17th

- The program starts half an hour earlier
- Red Carpet access is permitted until 8.20 pm at the latest
- The Festival will send a reminder to the Partner

In case of uncertain weather

The Festival will inform the group's designated contact person where the presentation will take place

The contact person will confirm where the group plans to attend the screening (Piazza Grande or Palexpo (FEVI))

There is no Red Carpet at Palexpo (FEVI), groups will access the venue through the reserved group entrance
